

Paradise Found Fiber Farm

2011

I made this pattern up, and it worked out beautiful. Loved knitting with your wonderful alpaca! I used 2 by 2 ribbing, stockinette, and twisted rib, tried to just make it interesting with the two colors. I carried some floats in the stockinette. I think the yarn is so warm that I wouldn't need floats, but I didn't want to have too much space between stitches.

Warmly, Janine in Montana
