

*We are happy to report another successful Quest for Fiber on Whidbey Island. We had visitors from near and as far away as Oregon and Minneapolis. The weather was wonderful; the incredible rain free fall days that can happen in the NW occurred for us over the Fiber Quest 4 day weekend. It was clear and crisp. Twenty six dedicated friends of fiber visited all of the stores over the four day period. Many did it in one day and several were able to spread it over a few days.*

*Some folks just visited some of the 7 participating stores.*

*With each event our visitor numbers grow.*

*And for the May 2012 Fiber Quest, we will all have better road signs.*

*Thank you to all who supported us in our twice yearly Quest for Fiber Event.*

*Remember, we are all here year round as well.*

*November 2011 Fiber Quest Winner of the \$300.00 Fiber Filled Gift Basket*

*Congratulations to: Janet S. of Coupeville, WA*

*To say Janet was excited is an under statement. She was shopping at the local farm store grand opening when I reached her on her cell phone.*

*She was jumping up and down and saying: I won!*

*She said the store folks looked at her and said,*

*"But we have not selected the door prize winner yet!"*

*Janet had many compliments for all of the participating shop owners and it is nice to know we all contributed to making someone's day.*

*Join in the Quest to Win this Gift Basket!*
