

What you will find at Paradise Found Fiber Shack?

Paradise Found Fiber Farm

A place to see and feel,
and in season, taste.

A fiber farm raising 3 types of animals, Alpacas, Llamas and Pygora Goats for the use of their fiber which is hand made into products. The farm provides you with a guided educational tour and a visit with the animals. Products and processed fibers are all displayed and for sale in the Fiber Shack. We grow seasonal produce. For fresh eggs, call ahead to reserve.
